A truly distinctive wood floor with each plank hand crafted.

- Each plank's surface is uniquely crafted using only hand tools.
- This Eliminates the repetitious/monotonous machine surface effects.

All the benefits of a properly engineered wood floor.

- European Oak Veneer
- 7 Ply: European Oak Surface plus 6 Cross Grained Substrates.
 - Wood Substrate Gang Sawn into 6 pieces.
 - All 6 pieces Cross Grained when assembled
 - Since wood only grows in direction of grain when subject to moisture, cross graining creates maximum moisture control.
 - Eliminates Wood Cupping
 - Eliminates High Wood
